

## **TERMS & CONDITIONS**

CryptoGraf is a collection of digital artworks (NFTs) running on the Solana network (<https://solana.com/>). This website is only an interface allowing participants to interact with their CryptoGraf NFT. Users are entirely responsible for the safety and management of their own private Solana wallets and validating any transactions and contracts generated as they interact with their CryptoGraf NFTs. Furthermore, as the CryptoGraf NFTs are running on the Metaplex smart contract (<https://www.metaplex.com/>) on the Solana network, there is no ability to undo, reverse, or restore any transactions.

This website and its connected services are provided “as is” and “as available” without warranty of any kind. By using this website you are accepting sole responsibility for any and all transactions involving CryptoGraf digital collectibles.

You are sole responsible or liable for any losses you may incur as the result of your use of the Solana Network. We do not have control over nor do we make any guarantees regarding any smart contract.

## **CRYPTOGRAF NFT OWNERSHIP**

Do I own my CryptoGraf?

You own your CryptoGraf NFT. Each CryptoGraf is an NFT on the Solana blockchain. When you purchase an NFT, you own the underlying CryptoGraf, the Art, completely. Ownership of the NFT is mediated entirely by smart contracts on the Solana Network: at no point may we seize, freeze, or otherwise modify the ownership of any CryptoGraf NFTs.

Personal Use.

Subject to your continued compliance with these terms, creators grant you a worldwide, royalty-free license to use your CryptoGraf NFT, copy, and display your purchased art. The CryptoGraf logo remains a protected trademark belonging to the team.

Commercial Use.

Subject to your continued compliance with these terms, creators grant you an unlimited, worldwide license to use, copy, and display your CryptoGraf. The CryptoGraf logo remains a protected trademark belonging to the team.
